

## Public Service Through Amateur Radio

South Wake ARC's primary purpose is to further the Amateur Radio Service through programs, activities, and education, in order to promote the radio knowledge, fraternalism and individual operating efficiency of our members. Further, it shall be our purpose to support the welfare of our community through public service including radio communications for emergency situations and public events, and through providing information, training, and assistance to individuals or organizations with an interest in the Amateur Radio Service.

June 2012

## May Meeting Minutes

Jeremy opened the meeting and introduced Michael (KK4EIB) from the Durham FM Association who gave information about the DurhamFest. Christy gave the treasurer's report

Get well cards were sent to Tim (W4TAR) and Steve (KA0GMY). Greg (AK4LK) made a motion to accept the April meeting minutes as published in the newsletter. There was no old business.

Dave made an announcement on behalf of the nominating committee. Volunteers are needed for the following positions:  
membership director  
president  
vice president.

Jeremy stated that the club needs someone to volunteer to run field day. A discussion regarding food for field day was held, and it was tentatively decided that the club would provide hot dogs, beans and we would bring in desserts for lunch. Smithfield BBQ was discussed as a possibility for dinner.

Chris volunteered to help arrange getting stations for Field Day, but will likely be unable to attend.

Selene stated that a member (Don Sharer AI4OZ) passed away two weeks ago. Jeremy purchased flowers on behalf of the club for Don's wife, Peggy. Jeremy stated that an email went out to the membership to let everyone know.

Glen says he is setting up an Email reflector that will help with making announcements to the membership via email.

Elections will be held at the next meeting. The meeting will be a picnic at Falcon Park.

Dave will arrange the shelter.  
Picnic will be potluck.

## **Net Report**

Due to unforeseen computer problems, Adrian was unable to provide a net report for this month's newsletter. Look for it in next month's issue.

For anyone paying attention, I skipped over May and called this edition the June edition. No, we didn't fast-forward over a whole month, rather I am adjusting the months so the current edition lines up better with when it actually comes out.
